- Registry access error on startup

1.6 Version 01.00

Initial release: December 2013.

2 Modifications to the Documentation

The documentation was updated to Version 1.05.

3 Installation and Update

Your software is delivered in the latest version available. Updates are provided

- on the Rohde & Schwarz Home Page
https://www.rohde-schwarz.com/product/tsstream-productstartpage_63493-51392.html
- by Rohde & Schwarz service centers or sales offices.

3.1 System Requirements

- Windows® 7 operating system (64 bit)
- Administrator rights (for installation)
- Multicore processor, Intel® i7-3770 or better recommended
- Min. 1 Gbyte free memory space, recommended \geq 8 Gbyte
- \geq 30 Mbyte free hard disk space
- Minimum screen resolution SVGA (800 x 600), 256 colors
- Network adapter matching the streaming target

3.2 Installing the Software

1. If the installer is delivered as a *.zip archive, extract the contents.
2. Double-click the "setup.exe" file. The setup dialog box is displayed.

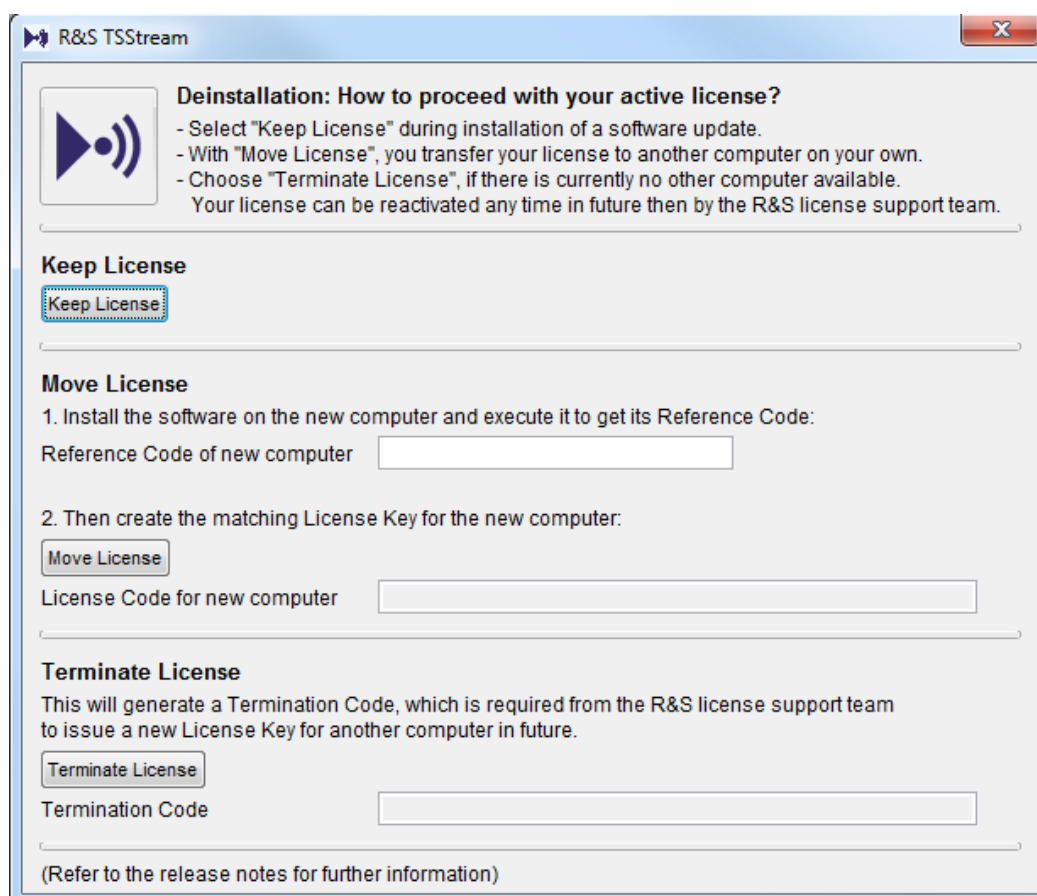

3. Click "Next >>" to accept the default target directories.
4. Click " Next >>" to begin the installation.
The installation process is started.
5. Follow the instructions of the Setup Wizard.

3.3 Uninstalling the Software

To uninstall the R&S Multi-TS Streaming Software, perform the following procedure:

1. In the "Start" menu, select "Control Panel", then "Software", then "Add or Remove Programs".
2. Select "R&S Multi-TS Streaming Software".
3. Click "Remove".
4. If a valid software license is active for this PC, the license manager dialog box is displayed during uninstallation. This is the case only if you uninstall a software version less or equal 1.04. From version 1.05, no license is required. Be sure to choose "Keep License".

- ▶ Follow the instructions to manage your license.

3.4 Updating the Software

- ▶ Your personal settings are preserved.
- ▶ Install the new software version as described under "[Installing the Software](#)".
- ▶ The older version will be uninstalled automatically.
If being asked how to proceed with your active license, choose "Keep License".

4 Customer Support

Technical support – where and when you need it

For quick, expert help with any Rohde & Schwarz equipment, contact one of our Customer Support Centers. A team of highly qualified engineers provides telephone support and will work with you to find a solution to your query on any aspect of the operation, programming or applications of Rohde & Schwarz equipment.

Up-to-date information and upgrades

To keep your software up-to-date and to be informed about new application notes related to your software, please send an e-mail to the Customer Support Center stating your software and your wish. We will take care that you will get the right information.
