Customer information about RoHS Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment

All Rohde & Schwarz products that are or have been sold on the market and fall within the scope of EU Directive 2011/65/EU – RoHS Directive – meet the requirements governing the substance bans in line with Article 4.

RoHS conformity is confirmed on the EU conformity declaration enclosed with the product.

Rohde & Schwarz does not provide any separate information regarding applied exemptions in line with Annexes III and IV of the RoHS Directive.

This confirmation shall not apply to the following products, which are exempt from the scope of the RoHS:

- Equipment necessary to protect essential security interests of member states, including arms, munitions and war material for military use (Article 2, sentence 4a)
- Products, parts and appliances on board aircraft falling within the scope of Article 3 of Regulation (EC) No 216/2008 of the European Parliament and of the Council (Article 2, sentence 4c)
- Large-scale fixed installations (Article 2, sentence 4e)
