

Wireless Communications Seminar Tour Europe 2023

INVITATION

17 MAY 2023

ROHDE & SCHWARZ

Make ideas real

WIRELESS COMMUNICATIONS SEMINAR TOUR

Discover the latest updates in the world of wireless communications from test and measurement experts at Rohde & Schwarz. Our industry leading speakers return to the road in 2023, sharing their insights and educationally focused presentations to audiences across Europe.

Topics cover a wide range of applications across cellular testing, non-cellular testing, infrastructure testing and evolving technology.

09:00 – 17:00

The Village Hotel

Farnborough, Hampshire,

United Kingdom

Our leading in-house industry speakers Reiner Stuhlfauth and Jörg Köpp will share their insights into some of the latest developments in wireless communications.

17 May 2023
Farnborough,
UK
