ANSI Z540 Compliance

Dr. Roesel & Mr. Hrach:

This correspondence serves as your approval to continue to provide Calibration Services to Rohde & Schwarz USA, Inc. that are in conformance with ANSI/NCSL Z540.3-2006. This approval is contingent upon maintaining your ISO 17025 (latest revision) accreditation and your ISO 9001 (latest revision) registration.

An on-site of your facilities is required prior the expiration of this approval for your facility to continue to provide calibrations in conformance with ANSI/NCSL Z540.3-2006.

This approval applies to only the site listed below and will expire at 12:01 AM, January 1, 2020.

Site(s) Approved: Rohde & Schwarz Meßgerätebau GmbH 1 Rohde & Schwarz Strasse, 87700 Memmingen, DE.

Rohde & Schwarz  
Spidrova 49. Vimperk, Tschechien

Best regards,

Patrick Stelzer
