1.2 Version 2020-02-17 3

1 Information on the Current Version and History

1.1 Version 2024-06-12

Released: June 2024, Library version 3.7.6.0

With this release the (low level) driver package for the NRP series of USB power sensors and the interactive Power Viewer (GUI) application have been divided into two separate packages. Therefore, when a user is going to use the Power Viewer application, he/she needs to install this Drivers for macOS beforehand

Functional improvements:

- now supporting all released R&S Power Sensors

Issues eliminated:

- None

1.2 Version 2020-02-17

Released: February 2020

With this release the (low level) driver package for the NRP series of USB power sensors and the interactive Power Viewer (GUI) application have been divided into two separate packages. Therefore, when a user is going to use the Power Viewer application, he/she needs to install this NrpToolkit for macOS package beforehand

Functional improvements:

- Digitally signed Installer package for macOS

Issues eliminated:

- None
